BUPERS INSTRUCTION 1560.20D

From: Chief of Naval Personnel

Subj: WHITE HOUSE FELLOWS PROGRAM

Ref: (a) OPNAVNOTE 1300 of 27 Jul 12 (Canc: Jul 13)

Encl: (1) CJCS Memo CM-0153-12 of 14 June 2012

1. Purpose. To publicize the revised policy on the White House Fellows Program and encourage Navy personnel to compete for participation in this unique and prestigious program.

2. Cancellation. BUPERSINST 1560.20C.

3. Background. The White House Fellows Program was established in 1964 to provide a highly selected group of gifted, motivated young Americans with the experience of direct and personal involvement in the process of governing our nation. Fellows are assigned to the White House Staff, the Vice President, to members of the Cabinet, and to other top-level assignments in the Executive Branch. In addition to their duties as special assistant, White House Fellows participate in an educational program revolving around the government's processes, personalities, and problems.

4. Procedures

a. To be considered for this program, interested personnel must submit a written application to the President's Commission on White House Fellowships. The application provides the basis for the initial screening process. Successful applicants are interviewed by regional panels composed of distinguished citizens. The most outstanding applicants on a nationwide basis are then recommended to the White House Fellowship Commission, which makes the final recommendations to the President. The President of the United States designates the White House Fellows.

03 OCT 2012

b. Selection will be limited to career-motivated military personnel, both officer and enlisted who

(1) have demonstrated unusual ability, high moral character, outstanding motivation and a broad capacity for leadership.

(2) show exceptional promise of future development.

(3) are dedicated to the institutions of the United States.

c. Military personnel on Active Duty who are designated White House Fellows will receive the normal authorized pay and allowances and remain in Active Duty status.

NOTE: The selection of applicants for the White House Fellows Program is conducted by the White House Fellowship Commission. The Navy does not participate in the screening or review of prospective White House Fellows unless they are considered finalists for the program. Therefore, Navy applicants must keep their detailers informed of their application status throughout the selection process.

5. Qualification Requirements. The program is open to career men and women of the military services. Federal civilian employees are not eligible for the program. Each applicant must be a citizen of the United States.

NOTE: Although the general age guidelines for the program are not specified, it is intended that those military personnel chosen be firmly committed to a military career. Therefore, applications from military personnel below the age of 28 are discouraged.

6. Considerations. In addition to the prerequisites above, the following considerations and factors play a significant role in the selection process: Candidates should be mature, experienced, have the potential to contribute to the program, and be able to utilize their program experience to benefit the Navy and their continuing Navy careers.

03 OCT 2012

7. Funding

a. Temporary additional duty (TEMADD) funding for regional interviews shall be provided by local commands per reference (a).

b. Any additional interviews required for the program shall be funded by the White House Fellowship Commission.

8. Action

a. Individuals who are qualified and interested in applying for the White House Fellows Program shall request an application from:

White House Fellowship Commission
712 Jackson Place, NW
Washington, DC 20503

b. The commission's commercial phone number is (202) 395-4522. Web site is <http://www.whitehouse.gov/about/fellows>.

c. Completed applications must be received by the White House Fellowship Commission no later than 1 February for fellowships commencing the following September. Applications are very detailed and require significant time to complete; therefore, they should be started as early as possible.

d. Per enclosure (1), White House Fellows will no longer receive Joint Professional Military Education Phase I credit after Academic Year 1998-1999.

e. If potential applicants have questions about Navy's assignment policy for this program, contact Navy Personnel Command (NAVPERSCOM), Service College Placement (PERS-440C), at (901) 874-4100/DSN 882.

NOTE: Though NAVPERSCOM (PERS-440C) is the Navy White House Fellowship point of contact, non-Navy specific application and program questions should be addressed to the White House Fellowship Commission.

f. NAVPERSCOM (PERS-440C) will coordinate directly with the White House Fellowship Commission to obtain a list of Navy finalists for selection. These individuals will receive a flag officer endorsement which will be forwarded to the White House

03 OCT 2012

Fellowship Commission for consideration. The endorsement should ensure that career timing and professional performance supports selection as a fellow.

g. Per reference (a), Naval District Washington will provide administrative support for personnel assigned to outside Department of Defense activities in the National Capital Region.

9. Service Obligation. Military personnel who participate in the program may not resign or terminate during the fellowship. Additionally, upon completion of the fellowship, they are obligated to serve on Active Duty for a period of three times the duration of duty as a White House Fellow.

10. Records Management. Records created as a result of this instruction, regardless of media or format, shall be managed per Secretary of the Navy Manual M-5210.1 of January 2012.
